

## BRIEF SUMMARY

I am a dedicated Engineer with a strong passion for building a successful career in a company that values personal growth and empowers its talented employees. I am committed to delivering excellence in my work and embrace challenges that foster creativity. My expertise lies in React Native, React, Redux, and Redux Toolkit, allowing me to create advanced web and mobile applications with seamless user interfaces and efficient data flow. My main career goal is to make meaningful contributions within a dynamic and innovative organization, continuously seeking opportunities to expand my knowledge and collaborate with like-minded individuals to drive innovation.
